INDALA COLLEGE OF ENGINEERING & POLYTECHNIC

Mechanical Engineering

Knowledge-base document for RAG Admissions Assistant

Prepared: 03 November 2026 **Information reference:** official college website pages reviewed for this starter pack.

Programme

B.E. Mechanical Engineering. The programmes page describes the discipline and its learning focus.

Academic areas

The official programmes page mentions design, thermal and fluid sciences, manufacturing and automation, with workshop and project work.

Learning outcomes

The programmes page mentions foundations in thermodynamics, fluid mechanics and heat transfer; analysis and optimisation of mechanical systems; and use of CAD/CAM tools for design and manufacturing.

Admission intake

The admissions page lists Mechanical Engineering first-year intake as 60 for 2026–27.

Information not confirmed here

Detailed semester-wise syllabus, laboratory inventory, faculty list, placement figures and current department-specific brochure should be taken from current official department documents.
