INDALA COLLEGE OF ENGINEERING & POLYTECHNIC

Electrical Engineering

Knowledge-base document for RAG Admissions Assistant

Prepared: 03 November 2026 **Information reference:** official college website pages reviewed for this starter pack.

Programme

B.E. Electrical Engineering. The official programmes page describes the department as combining electrical, electronics and computer-related courses.

Academic areas

Power systems, electrical machines, drives, instrumentation, control systems and electrical circuit analysis.

Learning outcomes

The programmes page mentions analysis and design of electrical systems and components, and use of software tools for simulation, modelling and analysis.

Admission intake

The admissions page lists Electrical Engineering first-year intake as 60 for 2026–27.

Information not confirmed here

Detailed semester-wise syllabus, laboratory inventory, faculty list, placement figures and current department-specific brochure should be taken from current official department documents.
