INDALA COLLEGE OF ENGINEERING & POLYTECHNIC

Eligibility Criteria

Knowledge-base document for RAG Admissions Assistant

Prepared: 03 November 2026 **Information reference:** official college website pages reviewed for this starter pack.

First-year B.E. admission route

The 2026–27 admissions page states that first-year engineering admissions are conducted through the Maharashtra State CET Cell Centralised Admission Process (CAP), under the rules of the competent authority / Directorate of Technical Education.

Entrance examination and registration

The page refers to MHT-CET merit and says aspiring candidates must register by filling the online application form for applicable CAP categories and institutional quota seats (vacancies after CAP rounds).

Seat categories

The page refers to Maharashtra State seats, All India seats and respective minority seats.

Direct Second Year

The page states that Diploma holders and B.Sc. holders may be eligible for lateral entry to the second year, with admission based on Diploma marks and handled by the State CET Cell.

Critical limitation

The reviewed page does not provide all detailed subject-wise, minimum-mark, category-wise or equivalence rules. Do not infer or invent percentage thresholds. Check the current Maharashtra CET Cell information brochure and official admission notices for the applicable year.
