# INDALA COLLEGE OF ENGINEERING & POLYTECHNIC

# Admission Procedure

**Knowledge-base document for RAG Admissions Assistant**

**Prepared:** 03 November 2026 **Information reference:** official college website pages reviewed for this starter pack.

## First-year B.E.

The college states that admissions are conducted under the rules of the competent authority / Directorate of Technical Education / State CET Cell, Government of Maharashtra, through CAP.

## General steps

1. Review the current eligibility and admission brochure. 2. Appear for the applicable qualifying entrance examination. 3. Register on the State CET Cell portal when the window is open. 4. Complete the required application and document verification steps. 5. Participate in applicable CAP rounds and follow the official allotment instructions. 6. Complete institute reporting and admission formalities within the stated deadline.

## Institutional quota / vacancies

The admissions page refers to institutional quota seats as vacancies after completion of CAP rounds and states that candidates must register as prescribed.

## Direct Second Year

Eligible Diploma and B.Sc. candidates may apply for lateral entry to the second year through the State CET Cell process. The admissions page states that there are no institutional quota admissions in DSE.

## Against CAP

The college has a separate Against CAP page for notices and instructions after CAP rounds. Candidates must follow the current notice and schedule.

## Important

The steps above are a plain-language summary. Exact dates, options, allotment rules and reporting deadlines must be taken from the current State CET Cell and college notices.
